Milk Chocolate Rocky Road

This is a favourite in my house and I throw in whatever takes my fancy when I'm preparing it! A plate of Rocky Road never lasts long!

Ingredients: (contains nuts but you can use whatever you like)

175g milk chocolate

100g unsalted butter

2 tbsp golden syrup

125g rich tea biscuits broken into small pieces (I have also used ginger nuts for rocky road with a twist)

25g mini marshmallows (plus extra for the topping)

30g chopped walnuts

30g chopped almonds

30g chopped dried cranberries

Method:

Melt the butter, chocolate and syrup in a bowl over a pan of simmering water.

Remove from the heat once melted and add your chopped nuts, fruit and marshmallows.

Mix together and place the mixture on a baking sheet covered with greaseproof paper. Add extra marshmallows on the top and refrigerate for 2-3 hours or overnight.
